## SALMONFISHING PACKAGE OF SIMOJOEN LOHIRANTA

Salmon has always been a major resource of the Simojoki river. The size and the shoreline of the Simojoki river makes it an ideal place both for fly fishing and spin casting - excellent sites for both are readily available.

Simojoen Lohiranta is a company that provides tourist services and activities on the shores of the Simojoki river. Our fishing trips takes you to the best spots on the river. We have also private rapids for our guests to use. The salmon fishing package includes all what you need. The package includes: - accommodation with full board, airport transportation from Kemi-Tornio, fishing licences, short guiding (2h) Note! Fishing is not allowed between sunday 6pm and monday 6pm.
